Our pools are for multiple uses. Activities include: water fitness, swim teams, lessons, water polo, and specialty programs that may restrict lane availability.

Lanes need to be shared if there are more swimmers than lanes available.

If there are three or more per lane, circle swimming must be done (stay to the right).

Swimmers must be at least 14 years of age to be in the lap lanes.

Youth swimmers (under 14 years old) must be able to swim 50 yards of a strong stroke, or get approval from a Supervisor to swim.
